DATE

17 April 2026

LOCATION

Hall of Honor

The Valentino Castle hosts the meeting in a prestigious venue of the Politecnico di Torino, located in the heart of the complex overlooking the Po River.

The seminar event, promoted by Cobaty Italy, involves a discussion among international experts on the topic of European transport infrastructure, with a particular focus on the transalpine situation between France and Italy.

The main objective is to encourage the exchange of experiences and ideas between the two Alpine regions. The theme will be developed in two sections: the first on the European situation, with an in-depth look at Union policies; the second more focused on the connection infrastructure between France and Italy.
